Save Our Seals – Write to your MPs now!

Great Yarmouth Borough Council have complained to us at the Winterton Seal Hospital because they have been told that we may have opened our rescue centre for more than 7 days in a year. The reason we open up is to generate money for the care of our rescued seals and this comes through the support of our visitors (over 3000 in 2009), without this support we shall not survive in 2010!

We need you to protest to the MPs in the Great Yarmouth area and the Great Yarmouth Borough Council.

We also need more volunteers and care workers – we need a seal support “shop” in Great Yarmouth to sell items to raise money, and also to include seal information, run by volunteers. Whatever happens, we at Winterton Seal Hospital, will continue to take in the casualties while we can “But we do need extra help”.

Ring Harry on 01494 494947 for more details.

Please send your letters about the number of allowed open days to Harry Nickerson at the above address, we will forward these onto Great Yarmouth Borough Council as one voice. We thank you in advance for your support.

We are a non-profit organisation and rely solely on donations, bequests, sponsors, etc.
